Company Name – Teaching1to1English

e.mail address – Teaching1to1English@gmail.com

Skype address – Teaching1to1English – lesson to be via Skype

The site needs to open in hosts country language i.e. if in Russia – Russian etc.. I believe this is I.P. sensitive. With the option to change language, at top of page to other languages – the little flags

Introduction text for website

We at Teaching1to1, love to teach English it gives us great satisfaction, helping someone learn our language and can be great fun too.

We are NATIVE English speakers from United Kingdom. Here to help you learn English by speaking, reading & listening. Our lessons are tailored to your interests and hobbies. Our teachers are TEFL Certified with minimum 3 years experience.

We have taught students privately & classrooms in UK, Spain, Poland & Croatia.

We like to teach Beginner to Intermediate level. We teach Conversational and Business English. Based on Speaking, Reading & Listening. We can also help with British exams A1, A2, B1 & B2 levels & Ielts exams too.

We have Engineering & construction backgrounds of 30 years, so can assist students this fields of business.

We provide a FREE 15 minute lesson to assess your language ability.

Booking

The site needs a simple form to be completed by students

Name -   Age -   (No one under 7 years old)   Nationality –

English Standard – None   Beginner   Intermediate

Interests or Hobbies

Why do you want to learn English   Work   School   Exam   Hobby

At a later date as I employ more teachers – but in meantime a diary for student to pick time and date of Skype lesson – notification via e.mail to Teaching1to1English@gmaail.com & confirmation back to student.

The site will need room to add teacher profiles a picture with brief description – upload certificate or certificates Student chooses teacher & book a lesson on teachers dairy, which needs to central European time and some kind of information based on IP address notifying student the time difference. Teacher to be notified by e.mail or SMS and confirmation e.mail sent back to student, once payment has been made & confirmed by teacher.

I need a simple feed back system maybe smilies. Unhappy face – Less Unhappy – OK face – Half smiling – Happyface   with a box to make brief comment. – An internal summary of these faces by teacher and total.

Payment PAGE

Fees – Introductory lesson 15 Min FREE – To be booked with me but with the option to change by me.

> 1 lesson 60 minutes   £15.00
>
> 5 lessons   £70.00
>
> 10 lessons   £135.00

I have a Paypal account and would like to be via Paypal. I would like payment via this.

I have the domain name Teaching1to1English.com from GoDaddy

CMS - I need access to the website at anytime to change text or add pictures/videos of new teachers with room for description of teacher.

Website needs to be responsive i.e. usable on all platforms

The site needs to be register on Google/Baidu/Yandex.ru & Yandex.Ua /OLX.pl

It will need SEO and ensure it translate properly into Chinese

I think that's everything
